In most states, your travel retailer is not a licensed insurance producer/agent, and is not qualified or authorized to answer technical questions about the terms, benefits, exclusions and conditions of the insurance offered or to evaluate the adequacy of your existing insurance coverage. Your travel retailer may be compensated for the purchase of a plan and may provide general information about the plans offered, including a description of the coverage and price. The purchase of travel insurance is not required in order to purchase any other product or service from your travel retailer. CA DOI toll free number is 800-927-4357.
